Prosperity Playmates EPIC™ - A curated date experience for your coupleship to play with your wealth and prosperity fantasies and re-write your Love Story around your Prosperity Lifestyle.

TODAY'S OBJECTIVE

Today's objective is to get you clear on the _____ you want, using the power of your _____ to call in the _____ (resources) that you need to have the experience of _____ .

The starting point of all achievement is desire. Keep this constantly in mind. Weak desires bring weak results, just as a small amount of fire makes a small amount of heat. - Napoleon Hill

DESIRE NOTES

Write down any nuggets you uncover about desire...

UNDERSTANDING THE IMPORTANCE OF DESIRE

Based on all that was shared about desire, what is desire to you?

(What do you now understand about desire?)

“What you want is already here, in the unified field of pure potential. Everything you need to fulfill your greatest desire is already part of your being. But it can’t come out until you align with it, let go of the obstructions to it, and raise your vibration to the level at which it already exists.” - Derek Rydall

Why is desire important for creating wealth and abundance in your life?

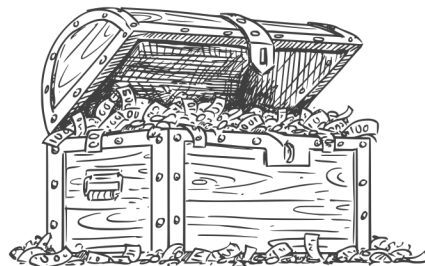

WEALTH AS YOU SEE IT

Answer these questions individually first.

What are your judgments around wealth, being wealthy or how wealth is modeled or expressed in our culture?

How do you want wealth to be expressed for you? What would your wealthy lifestyle look like? Get detailed!

WEALTH AS YOU BOTH SEE IT

Share with your partner

How are your versions of a wealthy lifestyle aligned?

Write down notes here on what is similar, what is different, what is new to you both and other noteworthy things you discover about each other that can later be used to create your Wealthy Lifestyle Vision (see homeplay below).

HOMEPLAY

Do this Together

Create a combined vision statement with your partner that states how you both want to be expressed in your wealthy lifestyle. This is a great activity to do during your next EPIC™

*NOTE: There is a more thorough version of this exercise at the end of this Playbook chapter called **Prosperity Playmates EPIC Homeplay.***

PROSPERITY LIFESTYLE

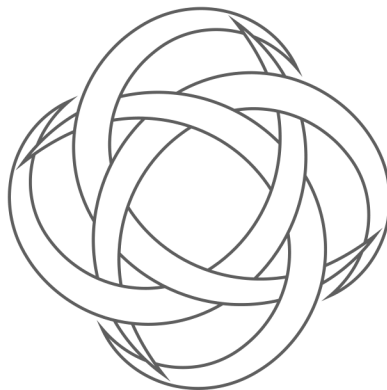

What is a Prosperity Lifestyle?

(Fill in the blanks from definition on slide)

A Prosperity Lifestyle is a way of living in which an individual consciously _____ and practices _____ beliefs, thoughts, and behaviors related to wealth, money, resources, and abundance on a daily basis.

By doing so, they become more aware of the abundance that already exists around them and attract more prosperity into their life.

Key elements of a prosperity lifestyle include aligning one's desires and vision around wealth, and surrounding oneself with like-minded individuals who share similar beliefs and values. Ultimately, a prosperity lifestyle is about cultivating an abundance mindset and living a life of financial freedom and prosperity.

BEFORE, DURING & AFTER YOUR EPIC™

Schedule Your "Pre-Game" Conversation

At the designated time you scheduled for your EPIC, do your EPIC "pre-game" assignment or set two different times to complete the "pre-game" work and then when you will do your EPIC.

Confirm

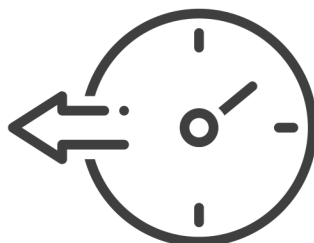

Make sure you are each on the same page around what is important for you to cover, have a part of or desire in your EPIC. This may have been of what you have been discussing throughout the week or been done in you in your "pre-game" assignment.

- Are we have sexual intercourse or simply connection?
- Are we including visioning or other creative elements?
- What are you wanting to get out of it together?

Set-up Your Space

- Get the vibe lighting going
- Music & playlists dialed
- Set up an altar
- Get our your fun clothing
- Shower or grooming complete
- Choose your toys, props or games to use

BEFORE

BEFORE, DURING & AFTER YOUR EPIC™

Connection First

Come into connection with each other to begin the EPIC experience. You can do this by eye gazing, taking a few breaths together, have a dance party or _____ (be creative).

Set Your Container

This will be PRE-GAME work until you get this process down (Page 12-24)

- Intention : Experience
- Clear Expectations

Pitfalls to Avoid or Things be Aware of

- Too much processing/ talking and not being in some action on your intimacy or some physical connection
- Triggers or traumas coming up and derailing you
- Forcing an agenda (one that wasn't discussed in advance)
- Moving to sex to quick vs allowing the process to unfold with Present Awareness
- Not being forthcoming with your feelings or desires
- Letting the outside world sneak in (phones, kids etc)
- Being under resourced and going ahead with it anyways
- Sabotaging the experience in some way (IE- showing up late to your scheduled time, showing up tired or under-resourced, etc)

Check-In Regularly

Tune in and check in with each other along the way to see how things are going.

Containers In Containers

You will most likely need to set additional containers as you go. Especially if you are diving into unknown territory.

DURING

BEFORE, DURING & AFTER YOUR EPIC™

Reflection

Check back on your agreements, desires, expectations and confirm you covered everything you BOTH wanted and if not, discuss why not.

Integration & Aftercare

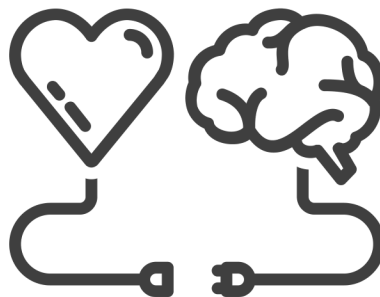

- Share "Favorite Frames" or vignettes of the experience
- Offer gratitudes & appreciation
- Discuss biggest takeaways or “aha’s”
- Reveal what you learned about yourself or your partner

Mind the Dip

With every expansion comes the possibility of contraction. If this does occur it will usually happen 24-72 hours post experience. Be aware.

- Upper Limit
- Reminder as high as you go is as low as you go
- Tiredness
- Vulnerability hang-overs

AFTER

PP\$ EPIC IDEA 1

Here's an idea for an EPIC date night that incorporates all the parts of an EPIC, while still keeping it “Mild”...

PLAYFUL:

Step 1: Dress up in your fanciest clothes to set the mood for your playful evening. It could be a suit or a gown, or anything that makes you feel like you're living the high life.

EROTIC:

Step 2: Set up a curtain at the entrance to your living room. Put on some seductive music, and have your partner wait on the other side of the curtain while you get ready to make your grand entrance.

Step 3: When you're ready, pull back the curtain and strut your stuff. Make it playful by striking some poses or doing a little dance.

CREATIVE:

Once you're both settled in, start your vision boarding or writing exercise. This is a great way to tap into your creative side, and to share your hopes and dreams with your partner. You could make a vision board together, or write out your desires for the future. Refer back to your PP\$ EPIC Playsheets for inspiration or to use this time to do some of your Homeplay.

INTIMATE:

As you work on your vision boarding or writing, take turns sharing something about yourselves or your desires that you've never shared before. This could be anything from a secret hobby to a long-held dream. This exercise will help you connect on a deeper level, and will make your evening feel more intimate.

PP\$ EPIC IDEA 2

Here's an idea for an EPIC date night that takes it up a notch to a “**Medium level**” of intensity:

PLAYFUL:

Step 1: Dress up in your fanciest clothes to set the mood for your playful evening. It could be a suit or a gown, or anything that makes you feel like you're living the high life. If you plan to do the “strip tease” version of the Curtain Entrance, then make sure to dress in costume layers with sexy lingerie or “manties” under your first layer of clothing.

EROTIC:

Step 2: Set up a curtain at the entrance to your living room. Put on some seductive music, and have your partner wait on the other side of the curtain while you get ready to make your grand entrance.

Step 3: When you're ready, pull back the curtain and start a steamy strip tease.

CREATIVE & INTIMATE:

Once you're both settled in, start your vision boarding or writing exercise. But instead of just writing out your visions, take it a step further and do a Desire Deep Dive. Share with each other what really turns you on, what your fantasies are, and what you'd love to try with your partner. This will help you connect on a deeper level and explore your desires in a safe, intimate space.

As you share your desires with each other, do it in a sultry, sexy voice. This will add an extra layer of intimacy and excitement to the experience.

PP\$ EPIC IDEA 3

Here's an idea for an EPIC date night takes it up one more notch to a “Spicy level” of intensity:

PLAYFUL & EROTIC:

Dress up in lingerie or something that makes you feel super sexy to set the mood for your playful evening. As your partner watches, do a seductive lap dance to get the excitement going.

CREATIVE:

Do some role playing with your visions and desires. This could involve acting out scenarios that you've both dreamed of, or exploring different sides of your personalities. This will help you tap into your creativity and add an extra layer of excitement to the evening.

INTIMATE:

Give each other a “Mantra Massage.” As you massage and caress each other's bodies, speak powerful affirmations about your partner's prosperity and their ability to live out their desires. This will create a sense of intimacy and connection while also reinforcing your shared vision for the future.

EROTIC & CREATIVE:

Hold the vision of your desires in your minds as you make love, with the energy of celebration that your desires have already manifested. This is a form of sex magick that can be incredibly powerful when done with intention and focus. Visualize your desires coming true as you and your partner connect on a deeper level.

Remember to approach the evening with intention and focus, and to be open to the powerful energy that can be created through sex magick and visualization.

HOMEPLAY - PART II

Create a detailed Prosperity Lifestyle vision statement for your Coupleship using what you wrote down and discovered from all of these exercises:

- Your Wealthy Lifestyle (*Your Wealth As You See It*)
- The Desire Deep Dive Process
- Your Prosperity Lifestyle Desires (*from the Flower of Love Mandala categories*)

This is another great activity to do during your next EPIC™

CURTAIN ENTRANCE EXTRAVAGANZA

Spice up your attraction and push the edges of being seen, felt and experienced by your partner as a sexy-motha-f#\$%@

OVERVIEW:

Bring your sexy, your raunchy and your ravenous self to the experience and dance, crawl or seduce your way into a room while sending all your love and energy to your beloved. If you have a curtain be sure to play up your reveal. Don't give them everything all at once. If you are using a doorway play with that.

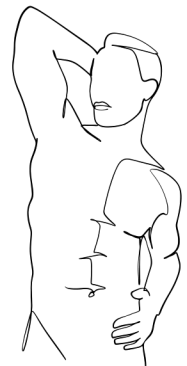

HELPFUL TIPS:

- Sexy outfits are helpful.
- Layers you can remove are helpful.
- Exhilarating music also helps to set the mood.

When you are in your own turn on it always goes over fantastically. Don't be shy, own your body, own your sexy and bring it.

NOTE: Curtain not necessary but does add a layer of fun and mystique. It can be as simple as a doorway with a \$10 tension rod and inexpensive set of curtains.

Be mindful of putting weight on the curtain and expecting it to hold you. Falling over can be hilarious as long as no one gets hurt but, we are going for sexy here. ;)

PRO TIP: Practice your moves beforehand in front of a mirror. Sure, it can be super confronting, but if you drop into your own turn on and sexy you can see what looks good (it usually feels good too) then bring that to your partner.
